Designated Teacher for Child Protection Mrs T Falls

Deputy Designated Teacher for Child Protection Mrs McComb

World Book Day Thursday 5 March 2020

To celebrate language and reading we will have a Vocabulary Parade again this year. Choose an interesting word and illustrate it through costume. This should generate lots of chat and discussion. Hopefully as our children share their choices back in school it will boost their vocabulary and understanding too. Have fun selecting a great word but please do not go to lots of expense. We want to promote language and literacy not inconvenience parents and guardians 😊

School Closures

School will be closed on Monday 16th and Tuesday 17th March.

Parking

Thank you to all parents for making pick up time on interview week so straightforward.

Going forward on Friday's we will keep the same procedure with P1-4 leaving at 1.55.

Can I please take the opportunity to emphasise that no one other than staff should park in the school carpark. We would also prefer that parents/grandparents don't enter/leave the school via the carpark. There were a number of near misses last week.

Thank you for your support.
